Assignment 4B

Below are some more jokes. Type each joke (question and answer). Then copy it with the **Copy** and **Paste** function found in the Edit pull down menu.

1. How can a teacher tell if there's an elephant in the classroom?
If someone asks a question and raises a trunk instead of a hand, then there's an elephant!
2. Why does the Statue of Liberty stand in the New York Harbor?
Because it can't sit down!
3. How can you tell the difference between a school bus and a grape?
Jump on it for awhile and if you don't get any juice then it's a school bus!
4. What is the difference between a locomotive engineer and a teacher?
One minds the train, while the other trains the mind!
5. How does Thomas Edison's invention of the light bulb help society?
If it weren't for him, I would have to watch the TV in candlelight!
6. Why wouldn't the student study history?
Because she thought it would be better to let bygones be bygones!
7. Can you tell us where elephants are found?
We don't have to find elephants, they are so big that they never get lost!
8. What is the difference between a teacher and a doughnut?
You can't dunk a teacher in a glass of milk!
9. Well, Connie are you typing any faster?
Yes I am, I am up to 13 mistakes in one minute!
10. If there were ten cats in a boat and one jumped out, how many would be left?
None, because they were all copycats!
