<ol>
<li>Interested in entering the annual Whiz Chips Computer Gaming Contest taking place on May 8, 9
and 11, 2006? </li>
<li>"Live" real-time gaming will take place in the PC lab in room 110 on those three days from 2:15 to
3 p.m. with the Whiz Chips Club judging the competition in two different categories/levels: 1) entry-
level with Klik & Play and 2) advanced level with Multimedia Fusion. 7th and 8th grades are all
eligible to enter. </li>
<li>For more details and where to obtain the contest application, go to Microsoft Explorer as the only
web browser that opens up <a href="http://www.kuzmich.com/carmody/Contest1.html">http://www.
kuzmich.com/carmody/Contest1.html </a>. But any other Internet browser will work well with all other
competition URL's listed on this web site. </li>
<li>For viewing more contest flyers, go to: Poster 1 ( <a href="http://www.kuzmich.com/carmody/
Wired_Contest.pdf">click here </a>), Poster 2 ( <a href="http://www.kuzmich.com/carmody/
Get_Plugged_Contest.pdf">click here </a>) and Poster 3 ( <a href="http://www.kuzmich.com/carmody/
Whiz_Contest2.pdf">click here </a>) </li>
<li>View and print the Klik & Play Contest Rules at: <a href="http://www.kuzmich.com/carmody/

<li>It is possible that the three-day competition will be video streamed on Dr. Data's school site. More details to follow. Parents must sign a permission slip to be photographed as part of the contest application or they can't be video taped for possible video streaming on the Internet! With a three-day competition, we will have lots of video footage to put a professional presentation on-line. </li>  
<li>Presently working on "prizes" for the winners of the competition. More details to be forthcoming soon.. </li>
