Drop and Refund Policy

The following policy applies to the course listed above only.

- * Students dropping the course before the second class meeting will receive a full tuition refund less a \$25.00 processing fee, per course.
- * Students dropping the course after the second class meeting but before the first 1/2 of the class has been completed, will be granted a drop, without a refund, and will receive a "W" on their transcript.
- * After 1/2 of the class has been completed, no drops will be allowed, no refunds will be given, and a grade of "F" will be recorded on the transcript if the course requirements are not fulfilled.

All drops must take place with the instructor. Credit card refunds require 10 business days; check refunds take six to eight weeks. The effective drop date is the day on which the student formally notifies the instructor of his/her desire to drop. If minimum enrollments are not met, the Division of Continuing Education reserves the right to cancel the course. Full refunds are made to those students who are enrolled at the time a course is cancelled. Nonattendeance does not constitute drop.
