[BootCamp - 1](#)

[BootCamp - 2](#)

[Building Pathway](#): Our innovative pre-apprentice programs serve unemployed and underemployed individuals, in-school and out-of-school youth, and adults who need skills in order to gain employment in a new industry.

[Training Toolkit](#)

- [Deseret Industries – Brighton College](#): offers nine par-professional college level 9 month certificate programs with Deseret Industries covering 90% of online instruction that can be taken during the day, evenings and/or on weekends.
- [Colorado Department of Labor](#): has expanded a website for developing construction job and apprenticeship training. It introduces 4 week programs in **Construction Careers Now Program** that are funded by the state. Additionally, it lists programs for apprenticeships throughout the state. Finally it also has job listings for the construction industry.
- [Ultra-low construction unemployment a drag on state economy](#): Unemployment rate among Colorado construction workers is half that of the national. article in the Denver Post (November 6th) about the lack of construction employees, Colorado has the lowest construction unemployment rate - 2.4% - in the US. A quote caught my attention: If a contractor finds a general laborer with good potential, who has a strong work

ethic and the ability to get along with others, they are increasingly willing to cover some or all of the costs for them to apprentice in a trade, Gerlitz said.
