

Synopsis of the [Golden Employment Blog](#)

At the Golden Employment blog, here's the most comprehensive training place to start employment searches for the very beginning job seeker at http://www.kuzmich.com/EMP/beta95/StaFinhtml_files/slide0001.htm. There's a sample below of what's available that might be invaluable to those families suddenly needing to obtain employment in view of the recent post COVID 19 pandemic, government shut downs of departments and the inflation crisis affecting many companies today in laying off their employees. Perhaps this information could be posted as a remote resource for weekly sacramento ward sacramento bulletin meeting announcements in your stake?

The [Golden Employment Blog](#) is a resource for those who need self-paced V.I.P. assistance at this time. All links work on-line.
