8:30pm to 8:50 pm: Report on those Previously Helped in our Previous Ward Training Meetings

- Brother Corey Hixson
- Sister Ramona Excell
- Brother Chris Elliott

8:50 pm to 9 pm: What's Going-On In Other Wards in the Front Range Stake

- Platte River Ward T&FH leaders were the speakers for sacrament meeting. Ward members were invited ahead of time to invite others to come hear about T&FH work. It worked! Someone's friend heard the talks and is now working on getting his dead wife's information gathered.
- Bear Creek sends out monthly messages through RS and EQ and are holding Temple Prep classes. They have a few people getting ready for their endowment.
- Our Stake High Councilor and Stake Temple and Family History Consultants will be happy to lead a Zoom meeting activity with the youth, teaching about the tell your story functionality and indexing. They could also do one with a group of interested adults. Consider this invitation to try something new during this holiday time. Maybe focus on T&FH work as a gift for Christmas. Maybe focusing on indexing for a while.
