

5 Tools to Find Your Family's Tombstones

American Battle Monuments Commission: <http://www.abmc.gov/database-search>

Look here for information on more than 200,000 burials and memorials in overseas US military cemeteries.

BillionGraves: <http://billiongraves.com> BillionGraves collects crowdsourced gravestone images, transcription and GPS data.

Find A Grave: <http://www.findagrave.com> This free Ancestry-owned site, which has an app for iOS and Android, compiles user-contributed gravestone inscriptions and other data.

Interment.net: <http://interment.net> This fast-growing, free website sources cemetery records from government offices, genealogical and historical organizations and individuals.

Nationwide Gravesite Locator: <http://gravelocator.cem.va.gov> The US Department of Veterans Affairs runs this database. Search for burials of veterans and their family members in VA national cemeteries, state veterans cemeteries and other military and Department of Interior cemeteries.
