

Temple & Family History: WHAT HAPPENED THE YEAR YOU WERE BORN?

I hope you are doing/enjoying the past Family History activities forwarded to you. Below is one more. This one is compliments of Ed Engle that he placed in a recent Bowles Grove weekly newsletter in the Denver-area by way of Bob Lathen's stake. This fun "**What is special about My Year of Birth**" activity was also in your level 2 Self-Training, but Ed's version is easier to share with others. If you have a FamilySearch account, you are ready to go! Here's what you will learn about your birth year and much more.

- Who was the President of the United States? Who was the President of the Church?
- How much did a 1st Class stamp or gallon of milk cost?
- What was the most important technological advancement?

Here are some simplified instructions for you to pursue.

- Click [here](#) to begin.
- "The Year I Was Born" page will come up.
- Scroll down to the box at the bottom entitled "What's special about my birth year?" and click on the box.

Sign in using your LDS account user id and password.

- Your Birth Year and Related Links in Colored Boxes Should Appear for You to Explore. Have fun!!
