

[Marriage Records: Incredibly Important in Original Family History Research](#)

A helpful but often underused way to find marriage-related information is in newspapers. [This RootsTech 2022 video](#) at <https://www.youtube.com/watch?v=Ch2zIPxFf0Q> provides tips for searching online newspapers to find weddings, engagements, bridal showers, elopements, divorces, and anniversaries, using additional keywords besides just the name and "marriage" in the search. For more tips on finding marriage information, check out [Goal B4](#) <https://www.thefhguide.com/project-9-united-statesb4.html#a> in the United States page. (See all tips at <https://www.thefhguide.com/tip-of-the-day.html>).

The image is a screenshot of a video presentation. On the left, there is a small inset video of a woman with dark hair speaking. The main background features the 'rootstech CONNECT' logo at the top left and the 'FamilySearch' logo at the top right. The title 'Newspaper Nuptials' is written in large, bold, black letters. To the right of the title is a historical newspaper clipping titled 'SOCIAL EVENTS OF THE WEEK', which contains several photographs of people in formal attire, likely at a wedding or social event. At the bottom of the screenshot, there is a video player interface with various control icons.

Marriage records tend to be the most accurate since the event had everybody there alive and well, But my marriage record had many mistakes that actually is a comedy of errors which to this date 50 years later which I can still not explain.

When in doubt, each state has the own marriage records. **FamilySearch, My Heritage, Ancestry and Find This Place** also have a wealth of marriage records that you can readily search for free.
