## MyHeritage Announces a “Stay at Home” DNA Sale, a Steep Discount on MyHeritage DNA to Encourage You to Stay Home

[Dick Eastman](#) · April 1, 2020 · [DNA](#) · [Stickers](#)

The following is an announcement from MyHeritage:

Your health and safety are of utmost importance to us at MyHeritage. In light of the unfolding global situation, we strongly encourage all our users to practice social distancing and adhere closely to the instructions outlined by your local government and health authorities.

We understand that it's not easy to stay cooped up at home, and we'd like to do what we can to
