Closing Comments

Staying organized is a critical genealogy attribute that we all need to develop and practice. Consider these supplemental article postings for achieving this efficiency. Everyone of them is unique and should inspire you to improve your Modus operandi in your family history habits in which self-pride is enhanced in all of your subsequent genealogical endeavors. Hope this helps you as I am still learning these procedures on a daily basis with much personal self-growth still desired/needed after 49 years of marriage on July 29th.
